If we find that medicinal herb, it might be saved.

It is told that the rare medicinal herb, Mitoku, is grown in Ling's Holy Ground.

?

Take this.

Clouds

But I hope we don't have to use this.

My specially made medicine.

Try to use it when you are in trouble.

Thank you.

Yes.

Let's go, we can't be hesitating here!

Well then,
hold on!

It's surprising.
This is a giant

farther.

Maybe Dr.
Bowman
thought
wrong.

come from
along?

It's rare
medicinal herbs,

they are near
the entrance.

I wonder

more, more
pain than I am!

No, don't get

Compared to
Blisar's
sickness, this
cliff is
nothing!!

I've
climbed
pretty far,
but I
wonder
where I am...

Rock
climbing is
hard...

I'll bring back
the herb!!

Hmph!

Hold on,
Blisar!!

This is
the 7th

the rest of
my life...

My gloves

ruined...

See...

Claude!!

Now getting killed by these fluffy critters. They'll kill me by biting, sleeping, and nibbling.

Don't I at least die? It's not as if the bot came to why am I so relaxed?

Ashton!

When I know about the medicine I got from Dr. Bowman, then happened.

With... what does this mean? They're all down.

Since we're fine.

It is more like sleeping medicine.

What?

Antlion

There has to be one...

There should be one, but it's not here!!

Let's look far!!

No, we finally made it here...

Maybe that monster sucked every nourishment from this whole place.

This must be what we heard from Dr. Bowman, but why...

I found it.

See, only one...

F O U N D I T

All of them are dried up here.

This one is bad too...

There has to be one!!

Without the herb, Elanor won't be saved!!

We finally made it!

Alright, let's march by spreading out!

I'll look over there!

I'll go there!

By her personality, if she heard about the herb she should have immediately come forward.

Since we missed Longa's Holy Ground, we haven't seen Fern's at all.

Now, let's hurry!

Sorry, you guys go ahead!

I got something in my mind!

We got the herb.

We have to go back and hand it to Dr. Rowman.

Something must have happened to her!!

What has happened here...?

I don't know.

Anyway, we have to bring back the herb.

good luck!

Be sure to send the herb.

Hey, what are you saying Ashton?

So that, you haven't picked an armor store yet, right?

So that, you haven't picked an armor store yet, right?

Raquel's swords are different in shape and size. It is called as the superior master piece, Raquel of Raquel.

But the reputation was too indulged.

Swords these days aren't made well.

The smith's plumes are all foggy.

Aren't you with him?

But...

I was looking around the town's armor shop since I'm attending the surmary Contest.

Well, we didn't fight.

Or you won't be wandering around alone.

Did you guys fight again?

Even like that, why...

What?

None of the sword had anything that caught my eyes.

He...

Did you find a sword?

I just remembered about him.

No...

What is it, all of the sudden?

I wonder if Dais is going to be at the Armory Contest...

him?

them...

if...

Do you...

want to fight against Dais?

If Dais is attending the contest,

You should go too, Remy. The kindness from the pump-up will be gone.

Yeah.

The large public bath here is really large and beautiful.

Claude, did you take a bath?

It just seems like it was almost at last, much...

The Armory Contest is close...

Yes, I'll do that.

I think I shouldn't say that I'm not Dais today to Claude.

What !!?

Dais...

And the day of the Armory Contest finally came

Barret used the crowdiness even more

The whole country became colored by the Armory Contest

Rena!

What does this mean?

I'm sorry, I'm going to go with Dad!

Don't worry to much

This is my problem

Didn't I introduce you to Mr. Gyan's weapon!

You have nothing to do with this

You I don't

Mind your own business

Introducing Gias a weapon, what do you...

Rena?

Then you won't be able to fight against him!

Gias might not be able to attend the contest!

It's not a big deal. It just ended up an introducing coincidentally. Don't get too heated by a word misproun

WHAT IS?

W?

U... um
grandpa and I
were
about... to go
to the castle

But what
happened?

What's
this
place...

What
happened to
grandpa?
Sophia!

Gee... you

group accept a
misunder-
standing...

There's not
enough
time. Lots go
to grandpa's
house.
